

GREEN CERTIFICATION

OUR CERTIFICATION PROCESS

Application Submission & Review:

- Submit your application to help us understand your requirements.

Stage 1 Audit (Document Review):

- Our auditors evaluate your organization's documentation, policies, and processes against the requirements of the standard.

Stage 2 Certification Audit:

- Our auditors verify the implementation and effectiveness of your documentation to ensure it meets the requirements of the standard.

Corrective Actions (if necessary):

- If any non-conformities are identified during the audits, you'll have the opportunity to address them.

Certificate Release:

- IAS grants Certification post successful audit.

WHAT IS GREEN CERTIFICATION?

Green certification validates that products and practices **adhere to environmentally sustainable standards**. It's a symbol of authenticity for consumers seeking eco-friendly choices. Items that can receive green certification encompass a range of categories, including:
